ABOUT

SWASTHYA KALYAN GROUP

Swasthya Kalyan Group was established in 1982 and runs under Puranmal Phoola Devi Memorial Trust. The Group is focussed towards the welfare of people through our educational and healthcare services. Over years, we have encouraged ideas, nurtured talents and served people with utmost dedication and commitment. The Group represents a highly evolved environment of teaching and research, infrastructure comparable to the best amongst its peers, and a highly qualified and respected faculty.

Over the years, our Group has encouraged ideas, nurtured talents and served people with utmost dedication and commitment.

ABOUT

PURANMAL PHOOLA DEVI MEMORIAL TRUST

Puranmal Phoola Devi Memorial Trust was founded in 1980 by Late Shri Kalyan Prasad Ji Agarwal Sootwale to help and serve the society. The trust has since worked constantly to provide medical relief to the underprivileged and skilled human resource to the nation. With charity in mind and goodwill in the heart, the trust has travelled through time providing hope, health and happiness to the society. The trust concentrates on sustainable development through empowerment and education of the community as a whole.

Founder and Guiding Light

CHAIRMAN MESSAGE

Quality is never an accident; it is rather a result of pursuit towards perfection. The vision of our group is clear "PROVIDING SUSTAINABLE, AFFORDABLE & QUALITY EDUCATION & HEALTHCARE SERVICES". We have developed a team of highly positive academicians who are driven to guide the students in exploring their creativity. We make sure that each and every healthcare specialist passing from our institutions is well in tune with recent developments and undertakes a modern clinical approach. We organise regular development programs, visits to hospitals, informative seminars and international faculty visits to make sure that our students are well equipped in serving the modern society. An integral part of our student culture is to develop a sense of responsibility in our society towards the patients and the underprivileged through various social programs and camps throughout the year. We endeavour hard to contribute in the building of our nation by building its people.

Life at Campus

Hands on Learning

Practical training is a vital part of our curriculum. This approach ensures that our students move beyond the classroom and learn from real-world situations.

Research & Innovation

We provide students with an environment that harbours an approach towards research and innovation, the building blocks of a young scientific mind.

Diversity

Our campus has a plethora of societies and clubs which cater to a diverse group of students with varied interests.

Entrepreneurship

The history of Swasthya Kalyan has entrepreneurship written all over it and we ensure that we provide similar encouragement, support and guidance to our students in becoming successful entrepreneurs.

Employability

Our students graduate with a competitive edge compared to their peers in other institutions that enables them to succeed in their professional lives.

Holistic Development

We consider academics to be just one of the many dimensions of student growth. By ensuring that our students participate & excel in various extracurricular, cultural, sport & other activities we provide an all-round development of individuals.
